The Palmetto Skate Club & Plex Indoor Sports & Ice would like to invite you to the 9th Annual ISI Team Competition, the “Palmetto Classic” on OCTOBER 23 (and 24 if necessary), 2010. We are an NHL regulation size rink located just off I-26 & mile marker 97 in Irmo, South Carolina.

ELIGIBILITY

This competition is open to all current members of ISI who are competing at the highest test levels registered with ISI on or before September 20th, 2010. Members of the USFS are eligible to participate as stated in the ISI-USFS joint statements of policy. USFS members *must* also be current members of ISI and *must* have passed the ISI equivalents of their highest USFS tests passed. (See ISI/USFS comparison chart).

REGISTRATION

Competitors are required to check-in at the registration desk at least one hour before their first event. Proof of ISI membership should be present at this time.

COMPETITION STANDARDS

It is very important for each team coach to be familiar with the new 2010 edition of the ISI Handbook and the 2010 Rule Revisions. The 2010 Rule Revisions are mandatory Jan. 1, 2010. The new book is available from ISI, and the most recent Rule Revisions are available on ISI's website (www.skateisi.org).

ENTRY FORM & DEADLINE

The coach or rink manager should also sign each form to verify that all information is correct. Late entries must be approved by the Competition Director. There will be an extra \$30.00 late entry fee. We reserve the right to accept late entries ONLY if we have space available. **NO refunds will be given unless the event has been cancelled by the Palmetto Skate Club.**

All entries must be postmarked on or before September 20, 2010.

Make checks payable to the Palmetto Skate Club.

SCHEDULES

Schedules will be emailed to the team coach approximately one and a half weeks prior to the competition and listed on the Palmetto Skate Club website.

PRACTICE ICE

Freestyle practice ice will be available on Friday, October 22, 2010. Practices will be 30 minutes long and will cost \$10.00 per session. Ice time will be booked on a first come, first serve basis to a maximum of 22 skaters. There are also public sessions on Friday afternoon, Friday night & Saturday afternoon.

NOTES TO COMPETITORS

All skaters may register and pick up their competitor's packet at the Palmetto Skate Club registration table. Only skaters & coaches with credentials preparing for the next event will be allowed in the competitor's areas. Competitors should arrive at Plex Indoor Sports & Ice at least one hour prior to their scheduled time of events, check in with the ice monitor 1-2 events prior to their own event and remain in the "check-in" area. Events may run early, so be prepared. Props for Showcase events will be entered through the Zamboni door.

NOTES TO COACHES & JUDGES

Each team must provide at least one certified judge for every 10 skaters and all judges must be current professional members of the ISI. A judges meeting is scheduled on Friday, October 22, 2010 at 7:00pm at Plex Indoor Sports & Ice. PLEASE attend this meeting. Submit one team check for all skaters with the entry forms.

DIVISION

In most cases we try to divide groups by age categories recommended by the ISI. However, in cases of large or small enrollment, we do reserve the right to divide and combine the groups further. If there is only one skater in an event, he/she must earn at least 80% of the total possible points in order to receive first place.

STROKING

Pre-Alpha to Delta will do perimeter stroking clockwise and counter clock wise. Crossovers on the end pattern will not be judged. Freestyles 1- 4 may have figure eights, serpentine, changes of direction and backwards skating patterns depending upon the skill levels of the skaters in each group. These patterns will be demonstrated for the skaters on their event warm up.

PHOTOGRAPHY

We will have a professional photographer available for on ice shots and will be available to view online for purchase.
